A WORD FROM THE PASTOR

MCCA is God's school. I probably have not said this often enough. When I first came to Mt. Calvary the number one question that most people asked me was, "Are you going to close the school?" It always surprised me when I was confronted with this question, because I knew from the church's history that this was God's school. It was a ministry that was placed on the heart of the people of Mt. Calvary, and it is still there...on their hearts. My answer has always been, "I did not come here to close a school. I love Christian Schools. We need Christian Schools."

The beginning of this 2011-2012 school year marks my sixth year at Mt. Calvary Free Will Baptist Church and Christian Academy. For two years our enrollment decreased, and then in the third year to date enrollment has leveled off in the 90's. We do not know exactly what our enrollment will be this coming year, but we are encouraged. Our country's economic climate has put a strain on us as it has many other institutions, but we are still encouraged for a couple of reasons.

This past spring we sponsored our annual MCCA Open House and the Lord smiled on us. My first year here, not one person showed up. Since that time however, God has been gracious to guide some people our way. This past year we had several families to visit, and then we had a couple of those families to enroll their children. As you can imagine, we are rejoicing.

Another reason for us being so encouraged is that we have had more people to pre-register this year than my previous years here. Typically, we have pre-registered about 30-40 students in the spring of each year. This year was very different. As of July 1, 2011, we have pre-registered 67. That number causes all of us to rejoice.

We would love to see our enrollment move back to the 120 mark. That would help us out tremendously. But our enrollment number does not dictate our mandate for ministry. As long as God enables us, Mt. Calvary Christian Academy will operate.

With all of this in mind, let me say thank all of you for your prayers, your encouragement, your financial help and certainly for entrusting your children to us.

Pastor Jim Marcum

OUR PURPOSE

Mt. Calvary Christian Academy is a vital ministry of Mt. Calvary Free Will Baptist Church. Serving the families of the Eastern North Carolina area for more than 40 years, we again dedicate ourselves to be the best Christian school we can possibly be.

The purpose of MCCA is to provide our students with a “Quality Education in a Distinctively Christian Environment.”

CHURCH-SCHOOL RELATIONSHIP

Mt. Calvary Christian Academy is a ministry of Mt. Calvary Free Will Baptist Church. Without the vision and support from the congregation of Mt. Calvary Free Will Baptist Church, MCCA could not exist. Therefore, MCCA will support and promote Mt. Calvary Free Will Baptist Church. While we realize that many of our students and families may not attend Mt. Calvary Free Will Baptist Church we ask that students and parents be supportive of the ministry of Mt. Calvary Free Will Baptist Church and MCCA. Any student or parent found to be out of harmony with MCCA or Mt. Calvary Free Will Baptist Church will be asked to withdraw from MCCA and find a school and ministry they can support.

CHURCH ATTENDANCE

We strongly recommend that all MCCA students regularly attend a Bible-preaching church and Sunday school of their choice. If a student does not have a regular church home, we recommend the ministry of Mt. Calvary Free Will Baptist Church. We would love to have you come visit with us anytime. If you should have questions, please feel free to call us at (252) 747-8111.

SCHOOL BOARD

Because our school is a ministry of our church, the Mt. Calvary Christian Academy School Board is made up of the deacons of Mt. Calvary Free Will Baptist Church. The Board is answerable to the congregation of Mt. Calvary Free Will Baptist Church in all of its deliberations.

OUR STATEMENT OF FAITH

1. We believe the Scriptures of the Old Testament and New Testament are verbally inspired by God and that they are of supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons: Father, Son, and Holy Spirit.
3. We believe that Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true man.
4. We believe that man was created in the image of God; that he sinned and thereby incurred not only physical death, but also that spiritual death which is eternal separation from God; that all human beings are born with a sinful nature and, in the case of those who reach moral responsibility, manifest themselves as sinners in thought, word and deed.
5. We believe that the Lord Jesus Christ died for our sins according to the Scripture as a substitutionary sacrifice, and that all who believe in Him are justified on the grounds of His shed blood.
6. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and in His present life there for us, as High Priest and Advocate.
7. We believe in “that blessed hope,” the personal premillennial and imminent return of our Lord and Savior, Jesus Christ.
8. We believe that all who receive by faith the Lord Jesus are born again of the Holy Spirit, and, thereby, become children of God.
9. We believe in the bodily resurrection of the just and the unjust, the everlasting conscious blessedness of the saved, and the everlasting conscious punishment of the lost.

MISSION STATEMENT

Mt. Calvary Christian Academy is a Christ-centered, Biblically oriented school to educate children and youth in all areas of educational pursuits with God being at the center of every subject. One of our goals at MCCA is to provide our students with a “Quality Education in a Distinctively Christian Environment.”

The purpose of Mt. Calvary Christian Academy is to give the Christian parent an opportunity to obey the commands of Scripture. *“Train up a child in the way he should go...”* and *“bring them up in the nurture and admonition of the Lord.”* (Proverbs 22:6; Ephesians 6:4). We exist as an extension of the Christian home in our society so the Christian parent will not violate the Scripture which says, *“Cease my son to heed the instruction that causeth to err from the words of knowledge”*

(Proverbs 19:27), and *“Learn not the way of the heathen...”* (Jeremiah 10:2). There is no way for the Christian, who is responsible for his children’s education, to obey the Scripture apart from a Christian education, i.e. every subject is taught according to the principles of and within the framework of the Word of God. *“The fear of the Lord is the beginning of knowledge.”* (Proverbs 1:7)

OUR GOALS

Spiritually - *“Let the Word of God dwell in you richly.”*

- To lead each child to personal acceptance of Jesus Christ as Savior
- To enrich the child’s devotional life
- To develop a well-balanced and Christ-like personality
- To awaken a realization that God has a purpose and plan for each life
- To develop from Scripture the ability to find help independently
- To give knowledge, love, and understanding of the Bible
- To instill a sense of responsibility for the lost that will lead to intelligent witnessing

Mentally - *“Let this mind be in you which was also in Christ Jesus.”*

- To develop a mind-directed life and not a feeling-directed life
- To develop a positiveness in reactions to life
- To discover and develop individual aptitudes
- To cultivate analytical thinking and a priority-directed life
- To impart a command of common knowledge and skills

Emotionally - *“Be strong in the Lord and in the power of His might.”*

- To build a Christ-controlled personality
- To establish an emotional balance
- To enable the child to adjust easily to situations in which he is found
- To develop aesthetic interests and abilities

Socially - *“No man liveth unto himself.”*

- To instill a loyalty to Jesus Christ in all things and at all times.

To develop an understanding of the student's place and obligations in the family

To help the child share his Christian responsibility as a citizen for the welfare of every group to which he belongs

To awaken and foster missionary responsibility toward all men

Physically - *"Present your bodies a living sacrifice...unto God."*

To develop a respect for the body as the temple of the Holy Spirit

To teach intelligent care of the body

To encourage the yielding of the body as an instrument of God's use

OUR PHILOSOPHY

The purpose of Mt. Calvary Christian Academy is to provide conditions whereby boys and girls can receive the Truth. Jesus instructed His disciples in John 8:32, *"And ye shall know the Truth and the Truth shall make you free."* Not only is it our objective to teach the Truth but also to teach our students how to apply the Truth wisely to their own lives. In John 16:13 we are promised that *"...when He, the Spirit of Truth is come, He will guide you into all truth."*

Our Christian school has the responsibility to provide the best possible education. A biblical viewpoint in the vital areas of life- spiritual growth, education, personal self-discipline, and patriotism-must be strongly stressed to each student during the years of training. We desire to minister to the needs of the whole child and to promote his/her spiritual and moral growth, academic and intellectual progress, and physical and social development.

Additionally, our Christian school is to be an extension of the Christian home and church, and thus provide a continuity of training for Christian young people.

We as Christian educators, desire to train each student to accept individual responsibility to God for his/her actions and challenge him/her to glorify God in every facet of his/her life.

PHILOSOPHY OF ACCOUNTABILITY

Romans 14:11 and 12 says: *"For it is written as I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God."* So

every one of us shall give account of himself to God. This we firmly believe.

The pastor will someday give an account to God for his role of leadership in the ministry. He is continually accountable to the congregation of Mt. Calvary Free Will Baptist Church.

The principal and staff members are accountable to God as well as to the pastor of the church. Each reports directly to the pastor.

The teachers are accountable to God, as well as to the principal of the school. Areas of accountability include the actual classroom teaching, meeting deadlines, following established procedures, and living an exemplary Christian life.

The daycare workers are accountable to God, as well as to the daycare director, for providing love and special attention to our smaller children.

The parents are accountable to God for the selection of a Christian school for their children, for maintaining open communication with teachers, and for fully supporting this institution.

PATRIOTISM

“Patriotism is an inner feeling that is difficult to define; for each of us meets it with a different emotional reaction – a feeling of pride, gaiety, a lump in the throat and a tear in the eye, a swelling of the chest and a quickened breath, a fierce desire to battle for that which we believe, and even the dedication of one’s life to a cause. Where and when these feelings begin we do not know, but we feel that the school should play an important part in developing patriotism in all its aspects. The small child is just beginning to have feelings of loyalty and pride, and these will grow best in an atmosphere of love and security, in aroused interests and broadened fields of knowledge, in chances to work with others through good examples in everyday living.” (Excerpt from *Planned Patriotism*)

OUR AFFILIATIONS

Mt. Calvary Christian Academy is a member of the American Association of Christian Schools, North Carolina Christian School Association and the Southeastern Association of Church Schools. It is by these associations that we are able to further teacher development and remain abreast of current methods and materials. Our students also

benefit by enhanced and varied opportunities to compete and cooperate with students from other Christian Schools.

SCHOOL COLORS

Our school colors are Royal Blue, Gold and White.

SCHOOL SHIELD

SCHOOL MASCOT

NON-DISCRIMINATION POLICY

MCCA admits students of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.

MCCA does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, athletic and other school programs.

CHAPEL

Chapel is an intricate part of the MCCA school program. Chapel provides a time of spiritual challenge and inspiration to our students. A variety of speakers and programs will be provided and parents are welcome to attend any chapel program.

VISITORS AND GUESTS

Parents, supporters and prospective students are encouraged to visit MCCA and are warmly welcomed. All classroom visits should be by appointment only. Visitors should go directly to the school office and obtain a visitor's pass from the administrator or school secretary.

Drop-in visits are discouraged because they take time from the planned schedule of the teachers and students. Appointment with teachers should be scheduled for before school, after school or during the teacher's free hour.

Teachers are not to be contacted through their classroom telephones. These phones are for internal school use only. Any correspondence with a teacher should be done through the school office.

Students that have been dismissed from Mt. Calvary Christian Academy may not return to the campus before, during, or after school without the administration’s permission.

SOLICITATION

Solicitation is forbidden at MCCA without specific administration approval. This includes the selling of tickets, candy, etc; the distributions of political or religious materials; and the circulation of petitions.

School Hours	8:15 a.m. – 3:05 p.m.
Before Care	6:30 a.m. – 7:45 a.m.
ESD	3:15 p.m. – 4:30 p.m.
	3:15 p.m. – 5:30 p.m.

***ESD (Extended School Day) is available for 6th - 12th grades.**

No student is to be on school property at any time without adult supervision. This includes the gym, playground and classrooms. Any student who does not leave campus by 3:15 must report to ESD. This includes any student participating in sports that is waiting for their scheduled practice time.

CLOSED CAMPUS

MCCA operates a “closed campus.” Attendance is required from the regular start of school until the normal dismissal time. Any free periods a student might have are to be spent in an assigned area on campus. Students will not be permitted to go off campus for lunch or errands. Seniors may have the privilege to eat lunch off campus. Students who leave campus must have a note from their parents before they are allowed to leave.

SCHOOL CLOSINGS

In the event that weather conditions make it impractical to have school, such information will be broadcast on the following radio and television stations:

Radio:

WNCT Lite 108
AM 1070
WAGO 88.7

Television:

WNCT 9
WITN 7

When possible, school closings will also be announced through SchoolCast. SchoolCast is our automated computer service that calls the primary phone number listed for each student.

EARLY DISMISSAL

Parents wishing to check out students should come to the school office, NOT the classroom. All check-outs must be handled through the school office. Students should not be checked out or leave early unless it is absolutely necessary. The parents of the student should send a note explaining why the student must leave and the time he/she is leaving. Students are responsible for all work due that day and homework assignments due the next day.

ABSENCES

Attendance is a strong character quality that we strive to develop at MCCA. Absences are excused only for the following reasons: legitimate illness, death in the family, doctor and dentist appointments, or family trips approved by the administration ahead of time.

When a student returns from an absence, a dated note signed by a parent stating the reason for his absence must accompany him/her. The absence is classified as unexcused until the student has brought in a note. A student has two days to bring in this note or the absence is classified as unexcused. An unexcused absence means a student will receive a zero on missed class work and tests will receive a 25 point deduction. Missing a school-sponsored trip or activity will be considered an unexcused absence.

Middle school students who miss more than twenty-six (26) days of a full year will not be promoted. High school students who miss a class more than thirteen (13) days per semester will not receive credit for that class for the year. Absences because a student is representing MCCA do not count toward this total. If absent from school, students will not be allowed to participate in any extracurricular activities that day.

After an absence, it is the student's responsibility to talk with his teacher(s) regarding make-up work. Students will have 2 days to make

up any missed work. Teachers have the discretion to give a student more time if they deem it necessary.

APPROVED ABSENCES FROM CLASS

Parents who would like to have their child excused for a special reason need to fill out an **Absence Request Form** in the school office. This request should be received for consideration at least five days in advance. If approved, the student is responsible for getting the assignments they will miss and complete them in advance for each class.

Please try to schedule family vacations to be taken when school is not in session. Approved absences are for special circumstances. The administration reserves the right to reject or limit cut requests. If parents still wish to take their child out of school without prior permission or against the administrations recommendation, the student will receive an unexcused absence. Approved absences may not be taken during SAT tests.

LATE ARRIVAL/TARDIES

Students are considered tardy when they are not in their designated rooms when the bell rings. Three tardies equal an unexcused absence. It is important that our students learn good character traits. One key trait is promptness. We ask that parents assist us in making sure that your child is at school on time.

All students arriving to school after 8:15 a.m. (the tardy bell) should go directly to class. Students will be given 3 demerits for every unexcused tardy to school.

Students will not be allowed to enter class if they are more than 15 minutes late. They will need to remain at the office until the next period and will receive an unexcused absence for the class missed.

ADMISSION PROCEDURES

1. Obtain a student enrollment packet from the school office.
2. Read all material and sign where needed.
3. Submit the application and registration fee to the school office. Should a student not be accepted by the school the registration fee will be refunded.

4. Submit an official transcript from the school in which the student is presently enrolled.
5. Schedule an interview with the administration and/or admissions committee. The student and at least one parent/guardian must be present.
6. Take entrance/placement test, if deemed necessary by the administration.
7. Parents will then be notified by the administration if the student is or is not accepted.

All transfer students must be in good standing (academically and otherwise) with the school from which they transfer.

8. Once a student is accepted, current immunization records for each student must be turned in to the school office by September 15.
9. Parents and students must turn in the signed 'Parent and Student Handbook Agreement' form that is located in the back of this book.
10. When home school students transfer into MCCA there are certain requirements that must have been followed. The student must have been enrolled in a home school governing body that was in charge of curriculum or was taking an approved home school curriculum from an agency that offers home school materials.
11. Students presently attending MCCA will be given re-enrollment preference until the last day of February each year.
12. New students will be provided the opportunity to register for enrollment in MCCA beginning on the first business day of March each year.
13. **Student admissions are conditional. All new students are admitted on probation for the first six weeks. If a student fails to make progress adjusting to our program, parents should find a school better suited for him/her.**

DUAL ENROLLMENT

With the principal's approval, Mt. Calvary Christian Academy students may be enrolled in college; however, any class taken at the college that is also offered at MCCA will not receive MCCA credit for the college class. The student must be at least sixteen years of age and presently taking at least **three courses** in the high school.

CUMULATIVE RECORDS

When a new student enrolls in our school and is transferring from another school, a “Request for Records” form must be completed and signed by one of the parents. Our school or the parent will send this form to the address of the last school attended.

A student’s cumulative folder contains information regarding academic progress, attendance, health, achievement tests, and special remarks. A parent may see the contents of his student’s folder only by contacting the principal. All information is regarded as confidential.

WITHDRAWAL

When a parent considers withdrawing a student from school, the parent should first contact a member of the administration before a final decision is reached. After the appointment, when the final decision is made to withdraw, a “Withdrawal Form” will need to be filled out and signed by a parent. Business arrangements must be made in the business office and all books, uniforms and school possessions must be returned before any student is considered officially withdrawn. Transcripts and other records cannot be released until this is completed.

FINANCES

Mt. Calvary Christian Academy tries to keep tuition rates reasonable. The school does not receive governmental assistance and is not endowed or supported by outside organizations. Prompt payment of tuition and fees are vital and essential to the ongoing operation of MCCA. Additional contributions from interested friends and parents are welcomed and encouraged. Gifts are tax deductible.

TUITION AND FEES

Please see the current schedule of tuition and fees. Tuition may be paid in one of three ways:

- 1) Pay in full (5% discount - due by the first day of school).
- 2) By the semester (2% discount - due by the first day of school and January 15th).
- 3) By automatic monthly bank draft (FACTS Tuition Management).

If an account becomes two (2) months delinquent the student will not be permitted to attend classes until the account is brought to current status. There will be a \$25.00 charge for all returned checks.

Should a student enter school during any part of the month, the payments will be pro-rated so that the fair amount of tuition is paid.

Should a student withdraw or be dismissed during the school year, he will be charged the full month's tuition for the month which he withdrew or was dismissed.

No report card will be issued nor will transcripts be forwarded to another school for any student whose account is delinquent.

No student will be allowed to graduate or participate in graduation exercises whose account is delinquent.

We realize that sometimes due to unforeseen circumstances families may enter into financial difficulties. MCCA will attempt to work with and assist any family that has a genuine difficulty. Any family who cannot, due to these unforeseen circumstances, pay their bill in a timely manner is requested to take the following steps:

1. Schedule a meeting with the principal to explain the situation and develop a plan for paying their account.
2. Present this plan in writing to the principal for approval.
3. If approved, both parties must sign the approved plan.
4. Follow the plan or your child will not be allowed to remain as a student at MCCA.

FUNDRAISING

To enable MCCA to purchase additional equipment and have special programs while keeping tuition rates as low as possible, we conduct one fall fundraiser, one spring fundraiser and the Fall Festival each year. Your participation is strictly on a voluntary basis and is encouraged.

INSURANCE

Mt. Calvary Christian Academy provides excess medical insurance coverage. This insurance shall be excess (subject to the company's limit of liability for medical payments) over any other valid and collectible insurance available to the insured person.

HIGH SCHOOL DRESS CODE

While we realize that the Bible does not specifically tell us how we should dress or how our hair should be cut, it does give us some principles to follow. In light of these principles, we must set an

institutional standard for our school. Our intention is not to say that a Christian who fails to meet our standards is sinning, but only that our students must meet this standard in order for us to be consistent in our enforcement. General scriptural guidelines for dress are:

1. Modesty (I Timothy 2:9, II Timothy 2:22)
2. Distinction (Deuteronomy 22:5, I Corinthians 11:14-15)
3. Identification with the Lord and not with the world (I Timothy 4:12, Romans 12:1-2, I John 2:15-16)
4. Appropriate dress for the occasion

We believe there is a definite relationship between a student's attitude toward scholarship and good citizenship and the student's manner of dress and grooming.

No student's manner of dress or grooming shall be permitted to disturb or adversely influence the character or order of a class or the school. The appearance of MCCA students should reflect good taste at all times with the student taking pride in their appearance without being preoccupied with it.

Cooperation between the home and school regarding the matter of dress guidelines strengthens the academy. Anytime a parent does not understand a dress infraction he/she should feel comfortable talking with the teacher involved. The administration encourages communication so these matters are clearly understood by students, parents, and faculty.

If a dress code slip is sent home with a student, immediate action should be given to the stated problem. Removal from class will occur when deemed necessary by the teacher and/or principal.

Students should abide by these dress code requirements while on campus or at any school function. Students should *not* change out of dress code prior to leaving campus.

In this atmosphere of definite and positive Christian standards of conduct, good scholastic planning and genuine personal interest between faculty and student, there is fine opportunity for development of strong Christian character.

GENERAL DRESS CODE:

1. Faded, sloppy outfits are not permitted.

2. Inappropriate pictures and writing on the front or back of the shirt are not permitted.

Any students arriving at school with inappropriate hair color will not be allowed to remain at school. Hair color must be corrected before the student will be allowed to return to class. The absence will be considered unexcused. Students with inappropriate hair color will not be allowed to participate in an athletic event until the problem is corrected.

BANQUET DRESS

Throughout the year there will be opportunities for the students to wear formal attire to different activities such as banquets. The MCCA dress code applies to such events. With these events considered “dress up” times, we make the following requirements:

5. Any shawl, etc. worn for modesty’s sake must be attached.
6. All dresses must be approved by a female faculty member appointed by the administration at least 14 days before the event (Homecoming, Jr.-Sr. Banquet, etc.) If the dress is not approved within the deadline, then the girl will forfeit her right to participate. Any prepaid money will also be forfeited. If any girl changes the approved dress or does not correct the changes she has been instructed to make, she will be asked to leave. No money will be returned. Homecoming dresses will be checked by an appointed faculty member the night of homecoming before the girl will be allowed to walk into the gym as an attendant.

BOYS:

1. A coat and tie are recommended.
2. No jeans.
3. No tennis shoes. Dress shoes are required.
4. Boys should look like young men at these events.

The above listed requirements apply to all students, parents and guests.

DRESS CODE FOR ATHLETIC EVENTS

Although students are allowed to wear casual clothes to athletic events, modesty and neatness should characterize our student's attire. Students not abiding by school dress code will receive 10 demerits when they return to school the next day.

If a student is **participating** in physical activities, MCCA will allow the students to dress in a more casual way.

GIRLS:

1. A loose fitting T-shirt or sweatshirt with no wild or inappropriate pictures or wording may be worn.
2. **Appropriate loose fitting, knee length** shorts may be worn. They must cover the middle of the knees while sitting or standing.
3. No pants or capris.

BOYS:

1. A proper fitting T-shirt or sweatshirt with no wild or inappropriate pictures or wording may be worn. A shirt with cut-off sleeves is not appropriate.
2. **Appropriate knee length** shorts may be worn. They must cover the middle of the knees while sitting or standing.

Mt. Calvary Christian Academy feels that there may be differences in the attire between students in the classroom and students participating in athletic activities. If a student is not participating in the athletic event, they need to wear classroom dress.

SCHOOL OFFICE

The school office is the “hub” of all school operations. Therefore, we ask students and parents to be considerate of the time and resources of all office personnel. The beginning and end of each school day are particularly busy. Office personnel will assist parents and students as quickly and efficiently as possible. No student or parent should ever sit behind the secretary’s desk nor touch any items on the desk including the computer.

SCHOOL SUPPLIES

Mt. Calvary Christian Academy has limited supplies available in the school office where students may purchase pencils, paper, spiral composition books, pens, book covers, etc. We encourage students to take advantage of this convenience. Charging supplies is prohibited.

TELEPHONE

If students need to make a phone call, they will need to use the pay phone located in the school office. The cost is 35 cents per call. Students need to have teacher approval before they make a phone call. All calls made for a sick student will be done by the secretary and will not incur any cost.

LIBRARY

Our school has a library for the benefit of our students. Students will be responsible for the library books the same way as for textbooks. Books are due one week from the day checked out. Fines are five cents per day. Fines will not be charged if the student has an excused absence or if school is not in session for any reason the day the book is due. We ask that if parents find questionable material in any library book to please notify the school office. At the end of the year a list of students who owe fines or who have lost a library book will be sent to the office. The fines must be paid and the lost books accounted for before report cards will be issued. In the event that a book is lost it must be paid for. Students may obtain permission to look on the Internet to obtain research information.

LOST AND FOUND

Lost articles are taken to the office and may be redeemed for \$.50 per item. Lost and found articles that are not claimed will be sold at special lost and found sales every 9 weeks. Any items not purchased

will then be donated to a charitable organization. We have established this policy in order to teach the students the responsibility of their personal possessions. Students should put their name on all personal items that are brought to the school.

THE WEEKLY WARRIOR

Each Monday every student receives a copy of the “The Weekly Warrior.” This school newsletter is currently one of the most important ways to keep in touch with what is happening at school. Parents should make sure they get a copy of this every week. Many questions about school “happenings” can be answered by reading “The Weekly Warrior.”

STANDARDS OF CONDUCT

Mt. Calvary Christian Academy holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate Biblical basis for the idea of spiritual growth into the image of Christ (Romans 8:29), which is the work of the Holy Spirit (II Corinthians 3:18). This growth begins with the initial act of saving faith and continues throughout life. The Holy Spirit makes the Christian conscious of the Biblical demands for a holy life which fulfills both God’s moral law and high law of love (Matthew 22:37-39; Romans 13:8-10; Galatians 5:14). The result is a life consecrated unto God and separated from the world.

Mt. Calvary Christian Academy must, therefore, provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. A standard of conduct based on the following Biblical imperatives is necessary to provide such an environment. All of the activities of the Christian must be subordinated to the glory of God who indwells us (I Corinthians 8:9; 12-13; 10:32). The Christian will endeavor to avoid practices which cause the loss of sensitivity to the spiritual needs of the world and loss of the Christian’s physical, mental, or spiritual well-being (I Corinthians 9:27).

A sense of the need for spiritual growth in the light of these principles has led Mt. Calvary Christian Academy to adopt the following standards which are believed to be conducive to the environment that will best promote the spiritual welfare of the student. The Academy, therefore, requests each student – whether at home, school, or elsewhere -

1. To refrain from participating in worldly activities such as swearing, indecent language, smoking, possession or use of liquor, drugs or tobacco, gambling, dancing, pornography, premarital or extramarital sex, homosexuality or other sexual perversions, and involvement in inappropriate music.
2. To maintain Christian standards in courtesy, kindness, honesty, morality, and modest attire.

The selection of the restrictions mentioned in this pledge may appear arbitrary to some; but while not condemning others who see differently, Mt. Calvary Christian Academy believes that the restrictions named are types of conduct detrimental to the established standards.

Students are expected to abide by these standards throughout their enrollment **whether at home, school, or elsewhere**. Students found to be out of harmony with the Mr. Calvary Christian Academy ideals of work and life and any student who has been arrested by authorities will be subject to administrative withdrawal.

In this atmosphere of definite and positive Christian standards of conduct, good scholastic planning and genuine personal interest between faculty and student, there is a fine opportunity for development of strong Christian character.

DISCIPLINE

Discipline is a balance of love and control. Discipline and order are necessary to the Christian traditional educational process. Our faculty strives to provide love and special attention to each individual student. A subject can be taught without classroom discipline, but a subject is less likely to be learned under such conditions. Discipline is a major area of concern in the Christian home, the Christian school, and the Christian life. Without proper discipline a Christian will never achieve God's will in his life. Imposed discipline (outer discipline) helps to build self-discipline (inner discipline).

Discipline in the Christian school is often misunderstood. Christian schools are often accused of being "too strict", of not showing love, and not being compassionate. Consider what the Scripture says: "Blessed is the man whom thou chasteneth..." (Psalm 94:12)

It is our philosophy that if a teacher is to be respected by his students, the teacher must have the authority to handle matters of discipline. We do not believe that God's Word gives the church

(including our school as a ministry) the authority for physical discipline of children. That authority belongs to the parents.

The teacher handles most minor discipline problems that occur in the classroom. Other problems are referred to the administration, which may impose some form of discipline or counseling. When all other methods of discipline have failed and a student requires a paddling, the parents will be called to come to school and administer the correction. If the parent cannot come, the student will be suspended until the correction can be implemented.

Discipline of students in junior and senior high grades is a joint responsibility of the parents, teachers, administrators, and students. Parents who cannot support the discipline standards of MCCA should find a school whose standards more nearly reflect their own. This will prevent the child from being placed in a position of conflict between the parent and the school. We welcome your questions, comments, and suggestions, but any changes in policy must reflect spiritual principles and the best interests of the school.

Please feel free to consult with the office about any problems or questions that concern the welfare of our students. The desire of the Principal and Faculty is to be of service to both parents and students. Our teachers welcome visits from any parent. Please get with the teacher and find a convenient time for both parties.

MCCA expects full cooperation from both parents in the education of their child. Lack of cooperation may result in the student being asked to transfer to another school. Also, if the student's behavior or attitude indicates an uncooperative spirit or one that is out of harmony with the spirit and standards of MCCA, whether or not there is any definite breach of conduct, the student may be requested to transfer.

MIDDLE AND HIGH SCHOOL DISCIPLINE PROCEDURES

Demerits are issued to make the student aware that he/she has committed an infraction and, therefore, action should be taken on his/her part to correct their conduct and make a conscientious effort not to commit that infraction again. If a student is habitually breaking the same rule, there is a problem with that student's attitude that suggests rebellion. We will not tolerate a rebellious attitude at MCCA by students, faculty or parents.

Demerits will be issued for any infraction of the rules in the “Student Handbook.” The student’s total number of demerits will be recorded on each tri-weekly report.

TYPES OF DEMERITS

Recommended Demerits: These demerits are given for major infractions and require that the student meet with the discipline committee. The administration has the option of lowering or raising the number of demerits suggested.

Further disciplinary action is prescribed by the student’s total number of demerits at a given time.

5 demerits:	detention
every 5 thereafter:	1 detention
13 demerits:	call to inform parents
	parent conference with the principal
25 demerits:	1-day and 1 game suspension parent conference
30 demerits:	2-day and 2 games suspension
40 demerits:	3-day suspension removal from sports teams
50 demerits:	expulsion

There are some offenses that are automatic suspensions. Any faculty or staff member may issue a demerit for any action that appears to be unbecoming of a student of MCCA. Realizing that it is possible that all circumstances may not be known by the faculty or staff member who issued the demerit, the student has the right to present his plea to the Discipline Committee. It is expected that both parties will agree on the decision made by the Committee without complaint. Complaining will not be tolerated.

A student receiving 75 demerits within one year will be expelled.

AFTER SCHOOL DETENTION

After school detention will be served for every 5 demerits received by a student. Detention will be served on Thursday afternoons from 3:15-4:15. Any student receiving a detention will be notified with a Detention Slip at least 2 days in advance. During detention, students will be cleaning and doing work around the school. Students must report to the designated detention room no later than 3:15. Any student who is tardy to detention will be assigned another detention. Detentions must be served on assigned days unless the student is absent from school. If absent, the student must serve their detention on the next detention day. If the detention is inadvertently or purposely missed, the student will be given 3 demerits and a new detention date. Detention must be served before a student may practice or attend extracurricular events on that day. Also, a fee of \$5.00 must be paid to help defray the cost of the supervising teacher.

We realize that after school detention may be an inconvenience upon parents as well as students. However, if we are to be successful in this area, we must have 100% parental support.

SUSPENSION

Suspension may be necessary in more serious matters of misconduct. This means the student would not be allowed to attend class for the duration of the period of suspension. Further disciplinary action would result in dismissal. While serving an out-of-school suspension, a student must not be on the school grounds, or attend any function. In-school suspension may be used in lieu of out-of-school suspension in some cases. Those serving in-school suspensions may not attend any functions. A student who has been suspended from school for any reason will receive no more than a passing grade for all tests missed, and will be required to make up all work missed.

Process: When a student receives a suspension, a conference with that student's parents and the Principal will be scheduled prior to the suspension. A written form will be provided with all pertinent information regarding the suspension and signed by the parent. Scheduling and serving of the suspension will then take place.

EXPULSION

A student may be dismissed from the school at any time he is found to be out of harmony with the rules and policies of the school, regardless

if there has been any specific breach of conduct or not. Decisions in these matters are the full responsibility of the administration and further reviews or appeals cannot be considered.

Dismissal occurs when a student is not performing within the boundaries of Christian attitude or conduct. Students who are dismissed may not be considered for re-enrollment for a minimum of one full semester. Parents must meet with the administration before re-enrollment will be considered.

When it becomes necessary to dismiss a student a conference will be scheduled with the parents and the Principal. A written form will be provided with all pertinent information regarding the dismissal. The administration will provide assistance to help the parents in finding another school for their child.

Students that have been dismissed from Mt. Calvary Christian Academy may not return to the campus before, during, or after school without the administration's permission.

BOY-GIRL RELATIONSHIPS

1. Holding hands, tickling, hugging, embracing, kissing, or similar forms of physical contact are not in good taste and will not be permitted while at school or school-related activities.
2. Students should be discreet in their relationships toward one another at school and at school activities.
3. No form of touching is allowed at school or school-related activities.
4. No couple should ever be alone in an unobservable or secluded location. No couple may be in a classroom, building, or the gym unless an adult is present. Couples are not to sit in parked cars on school grounds.
5. These rules apply even when a student is attending any activity with a non-MCCA individual.

IMMORAL ACTS POLICY

MCCA has Bible based standards and morals. Any behavior that is contrary to these standards will be grounds for immediate dismissal for any student involved. Any student, boy or girl, found to have been involved in immoral conduct (based on Biblical principles) whether during

the school year or during the summer, will be asked to withdraw from Mt. Calvary Christian Academy.

MUSIC POLICY

The purpose of Mt. Calvary Christian Academy is to give direction to our young people, not only academically, but also spiritually.

Because rock, pop, and country music are part of the counter-culture, which has as its purpose planting seeds of rebellion, immorality, and lawlessness, Mt. Calvary Christian Academy takes a firm stand against any form of secular music. We consider the listening to this kind of music detrimental to the spiritual, moral, and academic life of a person, which in turn affects the atmosphere of our school.

Parents can support the school in this policy by the principle of replacement - "*And he hath put a new song in my mouth, even praise unto our God...*" (Psalm 40:3) - in substituting wholesome, uplifting music, both Christian and classical, which will address the spiritual, mental, and physical needs of their students as exemplified by David's ministry before Saul in I Samuel 16:23.

CELL PHONE POLICY

Students are not allowed to use a cell phone in the school building before or during school time. After school, students should not use cell phones until they have left the building.

Any use of a cell phone during school hours by a student will result in disciplinary action. If a student brings a cell phone to school, the cell phone must be secured in the student's locker and must be turned off. If a student brings a cell phone to class or the phone rings while in a student's locker, the student will receive 3 demerits and will be asked to return the cell phone to the locker. Please note: "Forgetting" to turn off the cell phone is not an acceptable excuse.

Use of a cell phone during a test for any reason (i.e. text messaging, photos, etc.) will automatically be considered cheating and appropriate academic and disciplinary action will be taken in the sole discretion of the administration.

No taking of or use of cell phone photographs is permitted during the school day. Particularly, no cell phone photographs are permitted in the restrooms at any time. Violation of this prohibition is a serious discipline offense.

Parents who need to contact their child during the school day for emergency purposes should use the school's normal emergency contact process and call the main school phone number. School staff will assist parents in communicating with their child in appropriate emergency situations. Parents should not consider their child's cell phone as a means of contacting their child for any reason during the school day.

STUDENT WEBSITES POLICY

Any student who decides to operate a personal website or contributes to a blog must register the website/blog (i.e. myspace, blogger, Facebook or any other type of website) with the school office. The website must be registered immediately upon its creation. Any student who creates a website or blog prior to attending MCCA must register the website/blog immediately upon being accepted. All website/blogs will be monitored for content on a regular basis. Any student, including home school students, found with an unregistered website/blog or website/blog material that is deemed inappropriate to the purpose and mission of MCCA will be in direct disobedience to the ruling and will be subject to disciplinary action up to and including immediate ineligibility to attend the academy.

BULLYING POLICY

MCCA is committed to protecting its students, employees and applicants for admission from any form of bullying and harassment for any reason. MCCA believes that all students and employees are entitled to a safe, secure, harassment free school experience. The following areas of personal conduct will be closely monitored as the school year progresses. Students who have habitual problems in these areas will be asked to withdraw from MCCA.

Some examples of bullying and harassment would be:

1. Name calling, threatening and other verbal harassment.
2. Making fun of clothing, appearance or personal features.
3. Hitting, kicking, pushing and punching.
4. Making degrading remarks about others.
5. Invading, confiscating, hiding, marring or destroying the personal property of others (i.e. lockers, book bags, gym bags, purses, clothing, supplies, etc.)

PROHIBITED ARTICLES

1. Alcoholic beverages, any narcotic, tobacco in any form, prescription/non-prescription drugs.
2. Knives, guns, sling shots, explosives of any kind (including fire crackers), matches, lighters or any other potential weapon-**nothing that even has the appearance of a weapon. This includes items in vehicles.**
3. MP3 players, iPods, CD players, electronic games (game boys, PSP, DS, etc.), laptops, playing cards, dice, magazines, pornography of any type, laser lights.

ATHLETICS

I Corinthians 6:19-20 says: *“What, know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God’s.”* These verses are the foundation of our philosophy in the areas of physical education and sports. Since we are not our own and since our bodies are God’s, we must keep the body in subjection to the new nature. Physical education has its place in the Christian school, just as mental education and spiritual instruction. We will not place the training of the body above the spiritual and academic training. Guidelines for sports participation will be followed by all students. No exceptions will be made.

Athletics at MCCA are an integral part of the school’s total educational program. Our success must be free from conceit and our losses from malice. We must teach a spirit of personal self-sacrifice, of unselfishness, and of team play. There must be in our coaching a respect for our opponents and officials. Coaches and players should always remember Colossians 3:23 *“And whatsoever ye do, do it heartily, as to the Lord and not unto men.”* Our prayer is that our athletes become more like Christ because of the daily example of the coach, administration, and teachers.

Winning is of great importance to the program; however, sacrificing the Christ-like qualities to win a physical victory is disastrous. The student athlete and coach should realize there are two victories, the spiritual and physical. The goal should be to attain the spiritual victory at each practice and competition. The physical victory should be the next goal, and its meaning is validated through the spiritual victory. The

student athlete and coach have a responsibility of maintaining Christ-like qualities. The athlete and coach are looked upon as leaders within the school and are constantly being observed. The qualities are difficult to maintain unless Christ is the motivation.

Athletics is an opportunity to practice the principles of God's Word, such as subjecting oneself to authority, working together as members of the body of Christ, and controlling the feelings that arise in competition. Athletic competition offers an arena for the demonstration of our faith in Jesus Christ and opens many doors for active ministry.

If students fail to be on time and attend school the day after a game that is played Monday-Thursday, then they will not be allowed to play in the first quarter of the following game.

GIRLS' SPORTS:

Volleyball	Varsity Basketball
Cheerleading	Softball

BOYS' SPORTS:

J.V. Basketball	Soccer
Varsity Basketball	Baseball

CONDUCT AT EXTRACURRICULAR EVENTS

The prevailing attitude among all those connected with the sports at our school is to be "Christ must be seen in me - in my manner and my conversation - whether I win or lose the game." Students and patrons are encouraged to support our games. The conduct of those participating in or attending athletic events should be such that no reproach is brought upon themselves or Mt. Calvary Christian Academy.

Derogatory remarks should never be "yelled" to officials, spectators, coaches, or players. Always remember that there may be unsaved people in attendance or participating.

Any student, parent, fan, etc. behaving in a manner that would bring reproach upon Mt. Calvary Christian Academy will be warned. If the behavior is not corrected the person will be removed from the event.

SCHOOL-SPONSORED TRIPS & ACTIVITIES

Field trips are part of the educational process at MCCA and students are required to attend. A participation quiz grade will be assigned to the subject of the teacher's choice.

The same standards of conduct and dress required of students at school are also required of students on school-sponsored trips and school-related activities.

Parents visiting the school or attending school functions are also requested to respect these standards in their own dress.

HIGH SCHOOL TRIP POLICY

During some school years, MCCA may schedule a 2 or 3 day educational trip to places such as Washington, DC or Williamsburg, VA. When these trips are scheduled, parents will be notified of the costs well before the trip occurs. Mt. Calvary will strive to keep the costs as low as possible and provide opportunities for the students to raise funds so that there will not be an excessive burden on our families. In light of the financial obligations involved with this type of trip, we must have the following policy regarding finances.

For some trips, a deposit may be required. Even after fundraisers are held, it is possible that there may be a balance due. Parents will be responsible for any outstanding balance for their child to attend the trip.

All monies received will be placed in a high school trip account. The trip sponsor will keep records of the money turned in for each student. Students involved in the various fundraisers will be given credit on their account for their time and effort. This credit will be determined by the trip sponsor based on the funds raised at each event. Even though each student receives credit, the monies in this account belong to the group. At no time will these monies be refunded to a student.

Because we are travelling as a group, most all of our expenses (hotels, attractions, etc.) on these trips are prepaid. Therefore, if circumstances arise that a student cannot go on the trip, the balance due is still the responsibility of the parents. There will be no refunds issued.

SENIOR TRIP POLICY

The senior trip should be looked upon as a reward and privilege for any graduating senior from MCCA. Because it is a school-sponsored event, MCCA retains rights and responsibilities about the event including, but not limited to the location, means of travel, overnight accommodations, sponsors and chaperones, places and forms of entertainment, actions and appropriate dress.

A senior may forfeit the right to go on the senior trip by actions inappropriate to the conduct code of MCCA at any time prior to the senior trip. Any student classified as a senior without enough credits to graduate will not be allowed to attend.

By the time a young person becomes a senior and graduates from MCCA, he or she should recognize the need for Christian character to be demonstrated in all places and at all times.

Any student that does not go on the senior trip must attend school at least one-half of each day during that time. Any monies raised for the trip will be forfeited. See High School Trip Policy for the complete policy.

VOLUNTEERS AND CHAPERONES

At times throughout the school year parents or other relatives may be asked, or may volunteer to serve as chaperones for field trips or other activities involving MCCA students. **All volunteers and chaperones are expected to follow the same standard of conduct and dress as students when serving in these positions.**

ILLNESS

Please do not send your child to school if he or she is vomiting or has a fever of 100° or above. If they are sick or get sick during school, the parent will be called to pick up the student. Medication will be given to the child only with a signed permission slip from parents, which the teachers / office will administer. PLEASE NOTE: Medication must be kept in the school office.

SCHOOL POLICY REGARDING ADMISSIONS OF STUDENTS WITH COMMUNICABLE DISEASES

While it is not the desire of Mt. Calvary Christian Academy to discriminate against any one, but due to the current sinful practices of large sections of American society, it is recognized that certain life-threatening diseases can afflict children. For those students who are innocently afflicted, Mt. Calvary Christian Academy has a great compassion and sympathy.

Yet we are faced with the challenge of providing a safe haven for those youngsters entrusted to our care by their loving parents. Our purpose is to protect our students from exposure to mortal illness.

We recognize also that Mt. Calvary Christian Academy with its limited finances is not equipped to physically care for the needs of very ill students or any student with a communicable disease.

Therefore, because we are moved with deep sympathy for the sick child and the well child, it will be the policy of Mt. Calvary Christian Academy to recommend, and assist in the locating of a qualified Home Schooling Organization. The concern is twofold; it is that other students not be infected and that the ill students not become infected with other diseases transmitted by fellow students or others within the school family.

Children will not be enrolled who are diagnosed to be carrying any communicable or potentially lethal disease. Students presently enrolled who are then diagnosed to be carrying any communicable or potential lethal disease will not be allowed to remain as students.

They will not be permitted to enroll in regular Mt. Calvary Christian Academy classes until they have been medically diagnosed as no longer carrying the communicable disease.

This policy is to apply to diseases such as, but not limited to, and including syphilis, gonorrhoea, acquired immune-deficiency syndrome (AIDS), etc. (Current medical information published by the U. S. Centers for Disease Control indicated that the human T= lymphotropic virus type III/lymphadenopathy - associated virus (HTLV-III/LAV) is believed to be the agent causing the Acquired Immune-Deficiency Syndrome (AIDS) in humans. The policies presented herein also apply to students known to be infected with HTLV-III/LAV or testing positive for presence of antibodies to the AIDS virus.

HEALTH

In order to align us with the health department requirements for private as well as public schools, please be advised of the following:

1. All prescription drugs and non-prescription medication (including aspirin) must be left at the school office to be administered to the student as specified by a note from the child's parent/physician.
Send only enough medication as needed for school hours.
2. In some cases, the office can dispense Tylenol and Pepto Bismol. If you do not want this available to your children please notify the school in writing.

3. Please notify the office in cases of hepatitis, meningitis, rubella, measles, pink eye or other communicable diseases. Students with such illnesses will not be allowed to attend classes while they are contagious.
4. All students are required to have a current certificate of immunization.
5. It is the desire of MCCA to provide as healthy of an environment as possible for all of our students. Therefore, when a child becomes genuinely ill the parents will be notified and arrangements must be made to remove the child from school until they become well. Genuine illness includes but is not limited to fever, vomiting, rashes and/or anything else that may be deemed contagious. Minor headaches, stomachaches and other discomforts that are not serious in nature will be treated at school and the student will be encouraged to remain at school.

LICE/SCABIES POLICY

It is the desire of MCCA to provide the best environment for our students. This includes the area of health and hygiene. Therefore, if a student is found to have lice/scabies while at MCCA they will need to be immediately taken home and give the necessary treatment. According to health department regulations, the child may not return to school for at least three days. Upon returning to school, the student must provide written proof (i.e., a doctor's note) that treatment was given and then be rechecked for lice/scabies before they are allowed to return to class.

CHILD ABUSE

Mt. Calvary Christian Academy has a moral as well as a legal duty to protect all children from abuse. Therefore, any suspected child abuse will be reported to the administrator who will then investigate the case and, if needed, report the case to the proper authorities.

GENERAL INFORMATION

1. Parents need to notify the school office of any address or phone number changes. This includes home, work or cell phone numbers. We also need a valid email address for all parents to be able to use InfoDirect.

2. The playground will be supervised at specific times during the day. The school cannot be responsible for students at other times. The banks surrounding the parking lot are off limits.
3. In case of loss or damage to textbooks, the student will be billed for the total price of the replacement.
4. In an effort to have consistency and congruency we require that each student use a KING JAMES VERSION (KJV) of the Bible.

CARE OF PROPERTY

God has richly blessed MCCA with the facilities it has. We must be good stewards of all God has given to us. Therefore it is of utmost importance to protect our facilities from willful and irresponsible damage. Any damage to any part of our facilities caused by a student will be repaired or replaced at the expense of the student. Any willful act of damage or vandalism is grounds for expulsion. Defacing school property (writing, carving on desks, lockers, etc.) is a serious offense and will be treated as such.

CLASSROOMS

1. When the bell rings, students are to be in their seats. There should be no talking in the classroom after the bell rings.
2. Students are not to leave their desks without the teacher's permission unless they are extremely sick.
3. Students are expected to take textbooks, paper and pencils or pens to each class, as well as other items required by the teacher.
4. Students are not to bring compositions books, notebooks, lunch boxes, book bags, or other items that have pictures of rock music stars or worldly influences.
5. Students should not play with any unnecessary objects during class.
6. Nothing is to be thrown in the classroom.
7. Before the tardy bell rings, talking in the classroom should be done in an orderly manner.

2. Students are to keep their hands off the walls.
3. Students are to talk softly in the hallways.

LOCKERS

Each student in grades 6-12 is assigned a locker at the beginning of the school year and is responsible for its appearance inside and out. Students should never exchange lockers without permission by the office. The lockers are the property of the school and are subject to inspection by authorized personnel at any time. If students choose to use a locker lock, they must give a key or combination to their homeroom teacher. Book bags are to be kept in lockers and not taken to classrooms.

BREAK

Due to the early departure from home of some of our students, we provide a mid-morning break. Students may bring or purchase a snack to hold them over until lunch time. All lunchroom rules apply during break time.

LUNCH PROGRAM

Students may bring their lunch from home or purchase it in the school cafeteria. Lunch orders are taken in homeroom. NO lunch orders may be received after 9:15 a.m. In the event that a child forgets his/her lunch they may charge one meal which must be paid in full the following day.

Meal tickets of \$20 may be purchased in the school office. The homeroom teacher will keep this ticket and mark off amounts as your child uses it. **We encourage our parents to use this method as it cuts down on the exchange of money and reduces the risk of money being lost.**

PARENT-TEACHER FELLOWSHIP

Each nine weeks we will have a Parent-Teacher Fellowship for the purpose of providing a time when parents and teachers can communicate with each other on a social level, and allow parents to observe the participation and progress of their child.

All PTF meetings will begin at 7:00 p.m. and will meet in the church auditorium unless otherwise directed. We do realize the busy schedule that people maintain and we do understand that parents and teachers

have had a full day of work. It is for this reason that we must start on time and be completed by 8:00 or 8:30 p.m. Different classes will be responsible for presenting programs, plays, music or demonstration of grade academics for the benefit of parents and interested friends.

The schedule for PTF meetings may be found on the current school calendar, which may be obtained in the school office.

PARENT-TEACHER CONFERENCES

Parents are urged to seek a conference with a teacher at any time it is deemed necessary.

TEACHERS WELCOME OPPORTUNITIES TO TALK WITH PARENTS; HOWEVER, APPOINTMENTS SHOULD BE MADE SO AS NOT TO CONFLICT WITH REGULARLY SCHEDULED DUTIES.

Attempts should not be made to confer with teachers during Open House, at school programs, or at unscheduled times before and after school. We do ask, however, that parents call or write for a conference with the teacher before coming. Teachers are willing to work with parents in scheduling conferences at mutually convenient times.

Appointments with administrative staff should not be made until a conference with the teacher is attempted first, unless there are unusual circumstances. Problems are to be discussed with teachers and others directly involved. Please do not involve other parents, students, etc., who are not part of the problem or the solution. Students (or their parents) are asked not to sow discord by talking to others concerning problems they have with the school or a teacher. Students will not be allowed to remain as part of the student body if this occurs. Please know that it is the desire of all the staff of Mt. Calvary Christian Academy to solve problems and work toward solutions of any problems involving your children. We will spare no effort to that end.

PRIVATE MUSIC LESSONS

Private music lessons (i.e. piano, voice) are made available to students of MCCA. In order to participate in these, arrangements should be made directly with the teacher of these lessons. These lessons are not part of the normal school program and therefore scheduling must be made with each individual student.

DRIVER'S EDUCATION

Mt. Calvary Christian Academy does not offer a driver's education course. Any student interested in taking such a course should contact the appropriate county department.

DRIVING ELIGIBILITY CERTIFICATE

A student under age 18 currently and properly enrolled in school may obtain a Driving Eligibility Certificate in order to receive a NC Driver's License or Learner's Permit. In order to receive a D.E.C. the student must be making academic progress toward a high school diploma and must not have been suspended or expelled for more than 10 days.

GRADING AND REPORTING

The following grade scale is used at Mt. Calvary Christian Academy:

A.....	93-100	D.....	70-76
B.....	85-92	F.....	0-69
C.....	77-84		

GRADE POINT AVERAGE (GPA)

Grade Point Average is determined by dividing the number of quality points earned by the number of classes taken. Quality points are as follows:

Unweighted

A = 4 quality points
B = 3 quality points
C = 2 quality points
D = 1 quality point
F = 0 quality points

Weighted for AP Classes

A = 5 quality points
B = 4 quality points
C = 3 quality points
D = 2 quality points
F = 0 quality points

Example: A student takes five classes and earns the following grades:

Class 1 = A (4 quality points)

Class 2 = C (2 quality points)

Class 3 = A (4 quality points)

Class 4 = B (3 quality points)

Class 5 = B (3 quality points)

Add quality points: = 16.

Divide quality points by number of classes: = 16 divided by 5

GPA = 3.2

A student will have a Grade Point Average for each grading period as well as a cumulative GPA.

The valedictorian must have a grade point average of 3.5 or above, and the salutatorian must have a grade point average of 3.25 or above. Marshals will be selected only from those with top grade averages.

GRADUATION REQUIREMENTS

MCCA requires the successful completion of an academic program that meets or exceeds the requirements of the state of North Carolina. **Seniors will not be permitted to march in commencement exercises if they lack the required credits.** Students must gain a total of **22 credits** in order to graduate. While either diploma is considered “college preparatory,” there are two diplomas offered: the general diploma and the honors diploma. Students in grades 9-12 will choose the desired diploma. The honors option will feature courses that more readily prepare students for college. Students must take either the ACT or the SAT before graduation.

Students must attend a Welcome Days at a Christian College. The college must be Christian College, however it does not have to be a Free Will Baptist College. It can be any denomination the student chooses.

Students are required to attend the Baccalaureate service, which will take place the Sunday evening before graduation. The service will be held in the church auditorium at 6 p.m. The Baccalaureate service is a historical worship service designed to challenge a graduating class to use their knowledge for the glory of God and the good of man. Students will not walk at graduation if they do not attend the Baccalaureate service.

Listed on the following page are the class requirements for graduating with a general diploma or an honors diploma:

General Diploma

English (4 credits)
History (3 credits)
Math (4 credits)
Science (3 credits)
Bible (4 credits)
Foreign Language (1 credit)
Computer (1 credit)
Health/P.E. (1 credit)
* At least 1 elective

Honors Diploma --- must have a 3.5 average

Math (4 credits) (Alg. I, II, Geom./Trig., Advanced Math)
Science (3 credits)
Bible (4 credits)
Foreign Language (2 credits of same language)
Computer (1 credit)
Health/P.E. (1 credit)
* At least 1 elective

MCCA will at the request of a student/parent send a copy of a transcript to a college/business of your choice. Each student may request (2) copies free of charge. Any request after this will incur a \$5 fee.

DROPPING AND ADDING CLASSES

High school students will have one (1) week from the first day of school to drop or add a class. This will only be done with specific

approval from the administration. Required courses for graduation may not be dropped.

CLASS WORK

Class work is assigned predominantly in the elementary grades. The purpose of class work is for reinforcement and practice of material that they are learning. It is not just “busy work.” Students are expected to complete all class work in the time allotted.

HOMEWORK

Believing that homework is an integral part of the school program, each teacher is at liberty to assign homework to aid the student’s advancement in his or her studies. Therefore, each student is required to complete his or her homework assignments. Homework is given for several reasons.

For Reinforcement: We believe that most students require solid drilling to master material essential to their educational process.

For Practice: Following classroom explanation, illustration, and drill on new work, homework is given so that the material will be mastered.

For Remedial Activity: Book reports, compositions, special research assignments, and projects are some of the activities that are frequently the subject of homework attention.

Less homework will be assigned on Wednesday nights so students can attend prayer meeting.

Some ways you can help your student with his studies:

1. Parents should see that the student has an assignment notebook to record his assignments when given by the teacher. Parents should teach their child that the *student* is responsible for copying the assignment and that both parent and teacher expect it to be done.
2. Be sure that your student is provided with a quiet, secluded study place.
3. Keep distractions to a minimum (especially the television, telephone and Internet.)

STUDY HALL

Study halls are provided to allow students to work on homework, class work, or other special projects. Students should make wise use of their time. Students who apply themselves in study hall should be able to complete much, if not all, of their homework every day. All the rules of a normal class apply to study halls. They are not just a time to socialize, sleep, or “day dream.”

LATE WORK

At MCCA all schoolwork is expected to be completed and turned in at the time as assigned by the teacher. In the event that work is turned in late the following policy will be followed:

Work not turned in on time will receive a “0”. There may be an occasion where extenuating circumstances occur; therefore, this decision will be left up to the teacher’s discretion.

MAKE-UP WORK POLICY

When absent, the student is responsible for going to the teachers and finding out what work was missed. Students will have two (2) days to turn in their make-up work. (Teachers may give more days in special circumstances). If the student is late turning in make-up work it will be considered the same as late work.

EXAMS

Major exams are given at the end of each semester. Seventh and eighth grade students are responsible for taking all mid-term exams. They may be exempt from final semester exams if they have a 93 or above average for the semester, five (5) or less excused absences and no demerits for the entire year. In the senior high (9-12), students may exempt from semester exams if they maintain a 93 or above average for the semester and five (5) or less absences in that class for the semester. Students may opt to take any exam even though they meet the exemption requirements.

TESTS AND EXAMS

Before leaving the school, a student who checks in late is still required to take whatever tests were given prior to his arrival that day. The student is responsible for scheduling with the teacher a time to take the test.

Should a student have no study halls or free time in which to make up exams, quizzes or other work, it is the student's responsibility to see the teacher before or after school the day the work is due. The work can then be scheduled to be made up at the discretion and convenience of the teacher.

REPORT CARDS

Report cards covering each nine-week period will be issued at the PTF program following the end of the grading period. The final report card for the school year will be available one week following the close of school.

HONOR ROLL

It is the policy of MCCA to recognize students that have achieved outstanding academic marks. Our honor roll program is one of the ways we strive to reward these students and at the same time encourage all of our students to work to their full potential. All graded subjects will be averaged to obtain the honor roll. Recognition of students will be made at the end of each nine weeks grading period. Students with "incomplete" grades may make the honor roll, however, if the grades come in late they may not be recognized publicly.

Principal's Honor Roll – All "A's" (97 average or above)

"A" Honor Roll – All "A's"

"B" Honor Roll – All "A's" and "B's"

HONOR SOCIETY

Mt. Calvary Christian Academy is a member of the American Christian Honor Society (Chapter 508). Members of this honor society are selected on the basis of testimony, scholarship, character, service and leadership. A student may be dropped from membership if he fails to maintain all the required qualifications. Following are the requirements for induction into the American Christian Honor Society. The requirements must be maintained for a student to remain a member.

Scholarship---A student must maintain at least a 90% average while taking a full load (at least five classes). If a student's average drops, he is placed on academic probation for one semester. Students and parents will be notified by a letter which must be signed and returned.

Character---A student must attend church at least 75% of the time. His testimony must be clean. He must not receive more than 15

demerits in any semester, or he will be placed on probation. If his church attendance drops, he is given one warning and six weeks in which to resume faithfulness. If attendance drops again, he is asked to leave the society.

Service---A student must be willing to serve in any capacity at MCCA without grumbling or complaining.

Leadership---A student must be involved in some organized aspect of school and/or church that demonstrates his leadership qualities. These organizations could include the following: any sports team, cheerleading, church choir, teen soul-winning, active member of the church's teen group, junior church worker, Sunday school teacher, nursery worker, etc.

Members are selected by a committee of teachers led by the principal, with the principal being the final authority.

CLASS OFFICERS

Grades 11 and 12 will elect class officers in the fall. Class officers include: President, Vice President, Secretary/Treasurer, and Chaplain.

The following requirements must be met in order to be eligible to be a class officer:

“C” average with no “F’s”

Fewer than 25 demerits for the last full semester

Good testimony among peers.

Student at MCCA for at least one (1) year.

AWARDS

Awards and special recognitions are made throughout the school year at MCCA. Many of these will be made during chapels or special assemblies during the normal school hours.

End of the year awards programs will be scheduled to honor deserving students. Please check the current school calendar for these dates. We encourage parents and families to attend these special times and help us in honoring and encouraging your children.

PROMOTION/RETENTION

Sixth through eighth graders do not accumulate credits toward high school graduation. Failure of three or more subjects (yearly average) requires automatic retention for 6th, 7th and 8th grades.

Middle school students in one of the categories above may repeat the grade instead of going to summer school. Any middle school student who makes a 75 or below in Alg. ½ must repeat Alg. ½ in 9th grade. The student will receive a pre-algebra credit.

At the high school level, a student's classification will be determined by the number of credits earned:

0-5 credits earned	= Freshman
6-10 credits earned	= Sophomore
11-15 credits earned	= Junior
16-22 credits earned	= Senior

The following are the conditions that require a senior high student to attend summer school:

- 1) Those who fail either semester of any course required for graduation.
- 2) A course can be made up in the following year only if the schedule permits.

HELP SESSIONS

Students who need or will profit from extra help will be asked to attend special help sessions. Most teachers are available to meet with students after school until 3:45 p.m. on a regularly scheduled basis. In some instances, assistance may be available prior to school starting. Parents and students need to check with the appropriate teachers for this special help.

TESTING

Mt. Calvary Christian Academy maintains a thorough testing program to measure student's abilities and progress. Results of tests are used to help the administration and faculty to work more effectively with each student and to make continual improvements to the curriculum.

DROP OFF

All students who arrive prior to 7:40 a.m. MUST enter through the daycare door and then to the bleachers in the gym.

Students arriving between 7:40 a.m. and 8:05 a.m. should go directly inside to the bleachers.

Students arriving after 8:05 a.m. should go directly to their classrooms (see late arrival/tardy policy).

PICK UP

Sixth through twelfth grade students will need to be picked up around back at the gym doors. All students who drive must leave campus by 3:15 p.m.

RESTRICTED CHILD PICK UP

If parents are separated or divorced and one parent is not allowed to see or pick up a child, we must have on file at the school office a certified copy of the court order of final judgment.

CAMPUS TRAFFIC

The campus speed limit is 10 mph for all vehicles. Traffic will move in a counter clockwise manner around the lower parking lot. Any parent or student driving in a reckless or irresponsible manner will be in jeopardy of losing their driving privileges on campus.

STUDENT DRIVERS

Student drivers must have a valid North Carolina driver's license. A copy of liability car insurance is to be on file in the student's permanent record. MCCA does not assume any responsibility for students driving to and from school.

Each student driver must fill out a vehicle registration form in the school office.

Student drivers will be assigned a parking space. During school hours all cars must be parked in the appropriate space.

Students must get out of their vehicles upon arrival and should not return to vehicles without permission. After school when students return to their vehicles, they must leave. Students reckless or careless in the school parking lot when leaving the campus will lose driving privileges.
